## complete compact shop

ALL FOR ONLY  
**\$5395**

### Packages include:

- 4 color, 1 station printer
- 2255 dryer
- 4 23"x21" Reten<sup>®</sup> Frames
- Reten<sup>®</sup> tool kit/video
- TT-110E table top exposure unit

This package from HIX Corporation, the world leader in screen printing equipment, is the perfect solution for shops that need every square foot they can find. The neatly placed 4 color 1 station printer sets on top of a compact 120v, 22" wide by 5.5' long dryer. The printer offers the same features as the time tested Premier<sup>®</sup> printers from HIX such as micro-registration, gas lifts and rotary stop alignment. Because the printer is built just like the Premier<sup>®</sup>, it's totally expandable.
