RECEIVING & SETUP

UNPACKING

Remember to save all packing materials - including any crating, boxes, liners, and boards. You may need these for shipping your machine or should a repair be necessary in the future.

INSPECTION

Inspect your machine for hidden shipping damage. Contact the delivery company immediately, should you find damage.

PLATEN SURFACE

Slight surface imperfections are a normal part of the aluminum casting process for the platens on your press. These are not considered a defect and do not affect the functionality of the machine in any way.

OPERATION

INSTALLATION

Remove from box (keep box just in case your need to return). Team lift, as the machine is very heavy.

- With the press in the open position, adjust the press to the desired thickness by turning the control knob located on the top of the machine. Thickness is reduced by turning the knob clockwise and increased by turning it counterclockwise, as indicated. Using the thickness control knob, turn right for thinner or left for thicker until you have the thickness you desire.
 - CAUTION: DO NOT OPERATE THIS PRESS WITH ANY OTHER PERSON(S) / HAND(S) NEAR YOU OR THE PRESS. SERIOUS INJURY COULD RESULT.
- 2. Pull the handle down all the way, applying pressure, until it stops. Raise the handle all the way up.
- 3. Rotate the lower platen out and remove your flattened product.

CLEANING & MAINTENANCE

CLEANING THE PLATENS

- Open the platen for easier access.
- Clean the platens with with a mild soap and warm water applied with a soft cloth or sponge. Do not use steel wool, scrub sponges, kitchen or oven cleaners, or any other kind of abrasive material. This will damage the coating
- 3. Wipe clean with a dry cloth.

CLEANING THE OUTSIDE SURFACES OF THE MACHINE

Use a mild soap and warm water applied with a soft cloth or sponge. Do not use steel wool, scrub sponges, kitchen or oven cleaners, or other abrasives that will damage the painted surface.

LUBRICATION

Your press requires lubrication every 15,000 cycles or every 6 months. Use NSF/NLGI 2 rated food grade grease (such as Bel-Ray No-Tox #2 or equivalent). Lubricate all moving or hinged points.

This warranty applies to equipment manufactured by the HIX Corporation (HIX), Pittsburg, Kansas, U.S.A. HIX warrants to the original purchaser, the full line of doughXpress® product against defects in workmanship and material, except for wear and tear for a period of one year parts and labor limited warranty on most items, there are selected items which may carry a two year warranty (refer to owners manual.) All dough press carts, compressors, and accessories are warranted for 90 days from the date of purchase. Repairs include parts and labor only, excluding is the following:

- 1. Overtime Labor Rates
- 2. Expedited Freight for Parts
- 3. doughXpress® assumes no responsibility for down time or loss of product. All defective parts must be returned to doughXpress® for credit. Repairs must be pre-authorized by doughXpress® prior to work commencing.
- 4. Travel time is not covered by doughXpress®, unless pre-authorized by doughXpress®. In the event of a defect, doughXpress®, at its option, will repair, replace or substitute the defective item at no cost during this period subject to the limitations of insurance and shipping costs stated below.

This warranty does not cover normal wear and tear, damages due to accident, misuse/abuse, alterations or damage due to neglect, or lack of proper lubrication or maintenance. doughXpress® shall not be responsible for repairs or alterations made by any person without the prior written authorization by doughXpress®. This warranty is the sole and exclusive warranty of doughXpress® and no person, agent, distributor, or dealer of doughXpress® is authorized to change, amend or modify the terms set forth herein, in whole or in part.

In the case of a problem with the equipment identified herein, doughXpress® should be contacted during regular business hours to discuss the problem and verify an existing warranty. doughXpress® personnel will assist the customer to correct any problems which can be corrected through operation or maintenance instructions, simple mechanical adjustments, or replacement of parts. In the event the problem cannot be corrected by phone, and upon the issuance of a return authorization by doughXpress®, the equipment shall be returned to doughXpress® or an authorized service representative. All insurance, packaging and shipment/freight costs are solely the responsibility of the customer, and doughXpress® shall not be responsible for improper handling or damage in transit.

doughXpress® customer service personnel may be contacted for complete return authorization and reconditioning information. This expressed warranty is given in lieu of any and all other warranties, whether expressed or implied, including but not limited to those of merchantability and fitness for a particular purpose, and constitutes the only warranty made by doughXpress®. In no event shall doughXpress®' liability for breach of warranty extend beyond the obligation to repair or replace the nonconforming goods. doughXpress® shall not be liable for any other damages, either incidental or consequential, or the action as brought in contract, negligence or otherwise.

This warranty gives you specific legal rights and you may also have other rights which vary from state to state.
