

HIX IMPRINT

Pneumatic Large Format Heat Press

The HIX® LF-4464 Large Format Press is designed for a wide variety of sublimation projects and offers flexibility and reliability when sublimating on textiles, beach towels, blankets, aluminum or steel sheets, MDF boards, and more.

Constructed in-house of highest-grade materials, the proprietary heating technology provides accurate, even heat from edge to edge across the 44" x 64" platen(s). The LF-4464 Large Format press is available in either a single or twin platen version and includes a unique height adjustment feature for positioning and sublimating on thick substrates.
